NCVO KNOWHOW – SAFEGUARDING

These KnowHow pages outline simple steps that voluntary organisations in England can take to ensure that they are run in a way that actively prevents staff, volunteers and everyone they come into contact with from suffering harm, harassment, bullying, abuse and neglect.

The resources were developed collaboratively by an NCVO-led partnership.

HM GOVERNMENT WORKING TOGETHER TO SAFEGUARD CHILDREN

A guide to inter-agency working to safeguard and promote the welfare of children.

NSPCC LEARNING: SAFEGUARDING CHILDREN AND CHILD PROTECTION

Setting up and following good safeguarding policies and procedures means children are safe from adults and other children who might pose a risk. This includes voluntary and community organisations, faith groups, private sector providers, as well as schools, hospitals and sports clubs.

CHILDREN'S COMMISSIONER: KEEPING KIDS SAFE

Improving safeguarding responses to gang violence and criminal exploitation

GILICK COMPETENCY & FRASER GUIDELINES

The Gillick competency and Fraser guidelines help people who work with children to balance the need to listen to children's wishes with the responsibility to keep them safe

NSPCC GUIDANCE FOR THE HEALTH SECTOR

Healthcare professionals play a key role in child protection, both in identifying children who are in need of safeguarding and support and assisting families at risk.

CHILD PROTECTION SYSTEM IN THE UK

The UK's four nations – England, Northern Ireland, Scotland and Wales – each have their own child protection system and laws to help protect children from abuse and neglect.

QUALITY FOR HEALTH

A quality assurance standard for groups and organisations delivering health and wellbeing services, including social prescribing.

QUALITY ASSURANCE FOR SOCIAL PRESCRIBING

A guide, created by the National Lottery Community Fund, to support social prescribing programmes in England in implementing quality assurance principles.
